

ENHANCING

LEADERSHIP SKILLS

worksheet | thehopefullinstitute.com

1. List five great leaders of the past/present who you find interesting.

2. What skills, characteristics or values do they possess that you admire?

3. Which qualities common to great leaders are you currently lacking and what will you change to improve your leadership qualities?

4. What could you do today to increase your ability to lead others?

5. Who could you approach to mentor your leadership development? What other strategy could you use for enhancing your leadership skills?

6. How would increasing your leadership skills affect your personal and student life?

7. Write your own two-sentence definition of leadership.

8. What opportunities do you have to be a leader in your life?

9. What are your greatest strengths as a leader?
