

# 13 EMPOWERING QUOTES BY TAYLOR SWIFT

“Words can break someone into a million pieces, but they can also put them back together. I hope you use yours for good, because the only words you'll regret more than the ones left unsaid are the ones you use to intentionally hurt someone.”

“No matter what happens in life, be good to people. Being good to people is a wonderful legacy to leave behind.”

“The lesson I've learned the most often in life is that you're always going to know more in the future that you know now.”

“I'm intimidated by the fear of being average.”

“You should celebrate who you are now, where you're going, and where you've been.”

“I respond to extreme pain with defiance.”

“I became a mirror for my detractors. Whatever they decided I couldn't do is exactly what I did. Whatever they criticised about me became material for musical satires or inspirational anthems.”

“My response to anything that happens, good or bad, is to keep making things. Keep making art.”

“The only way forward is forward motion. We should not let obstacles like criticism slow down the creative forces that drives.”

“I give myself, like five seconds a day to be like, “Yes, this is happening!” And then the rest of the day I'm trying to figure out how I'm going to make it last.”  
Age 16

“There is no such thing as someone who's bossy, there's just a boss.”

“I don't know if I can do this. I want it so bad but I get scared of what might happen. Relax, I can handle it. I'm young. I'm talented. They'll see it in me. I've got to hang on!”  
Note to self.

“To me, “FEARLESS” is not the absence of fear. It's not being completely unafraid. To me, FEARLESS is having fears. FEARLESS is having doubts. Lots of them. To me, FEARLESS is living in spite of those things that scare you to death.”
